

Deliverable Requirement - Week 4 (Due 26 June 2019)

Topic: Project Selection

Activity: Prioritise and select a project

Text: Larson, Chapter 2

Dear Team,

This week begins the work on the group assignment. It starts with using the learning content provided and covered in Week 3 – Project Selection.

Your deliverable requirement for this week for the group project is the following:

1. **Review** the descriptions of the six (6) proposed projects, as outlined in the proposals document.
2. **Evaluate, score and prioritise** the six (6) proposed projects using the Group Assignment - Project Proposals Evaluation Worksheet. Follow a similar critical approach and prioritizing process as described in week 3.
3. **Provide a short, written narrative** of the justification for all project prioritising.
4. **Select a project** – it should be the one with the highest score. This will be the one you will be working on for your group project in the weeks up to and including the final group project report.
5. **Submit via Moodle, your completed “Group Assignment - Project Agreement Template”** outlining how you will complete the requirement for this week.
6. **Submit via Moodle, your completed “Group Assignment - Project Proposals Evaluation Worksheet”** and the short narrative explaining the justification of the selection.

Assumptions

- Projects would be held at your University premises.
- Make all necessary assumptions if data is not available and ensure that you document these.

Enjoy the experience of working with your team to successfully complete this requirement.

Please contact us if you need anything clarified in relation to this requirement.

Best regards,
